

DECOR + CAR / THE INTERACTIVE COLLECTION

Make it yours again.

Considered finishes for the spaces you live in
and the car you move in.

[Explore the collection](#)

A DIFFERENT POINT OF VIEW.

What are we transforming?

Choose a path to explore materials and request your finish.

01

Decor

Interiors, furniture and architectural surfaces.

Explore decor

02

Car

Vehicle colour changes and personal expression.

Explore car

Click the buttons to navigate. Official catalogues open online in your browser.

Choose your collection.

Two REWRK routes. Find the finish that feels right for your project.

Premium

3M DI-NOC

Architectural finishes

Explore finishes >

Eco

Velven

Architectural finishes

Explore finishes >

Premium and Eco are REWRK selection categories. Eco means economy, not an environmental claim.
Final material suitability and availability are confirmed for each project.

02 / CAR

Choose your collection.

Two REWRK routes. Find the finish that feels right for your project.

Premium

Avery Dennison

Supreme Wrapping Film

Your photo. Your finish. Your preview.

Show us what you want to transform. We'll help you see what's possible.

01

Take a photo

Send a clear, well-lit photo of your furniture, room, surface or vehicle.
Show the full area you want wrapped.

02

Choose your finish

Explore the official catalogue.
Include the brand, finish name and product code in your project brief.

03

Send it to REWRK

Email your photo and saved brief to rewrkwraps@gmail.com.
Add your finish name and code.

We'll send back a before & after visual preview.

Your original photo + a simulated transformation using your selected finish.

Email your photo

The button opens your email app. Attach your photo and saved brief manually. Preview is illustrative; confirm with a sample.
